The Watson is a 3 bedroom, two bathroom home that has space for the whole family. The open plan living/dining/kitchen creates a sociable area, with sliding doors leading straight outside for your outdoor living. There is also a large storage cupboard in the dining area. The Master bedroom has an ensuite and generous built in wardrobe. Bedroom 2 and 3 are both close to the large family bathroom. The laundry is located in the rear of the single garage, this could also be a double garage if needed.
